## **Emergency Contact**

The numbers at Bathurst Goldfields (above) may be used in an emergency. Please do not contact us unless absolutely necessary. We will be in daily contact with the school, so if you have any concerns you may contact the school on 9522 0111.

## **Behaviour**

We are confident that all our students will behave in a manner of which we will be proud. The usual school Discipline Code will apply. Students who are in severe breach of the code will have their parents informed and requested to collect them from Bathurst.

## **Departing Procedures**

The **buses depart** from school at **7am sharp**. Students need to meet be in the school hall by **6:30am**. Students will bring their luggage into the hall and sit in the line of their pre-allocated bus (students will be told this at school). Parents may hand in any medication to Miss Hales who will be on the hall stage. Parents may wait outside to wave the buses off.

## **Return to school procedures**

We will return to school on Wednesday September 23<sup>rd</sup> at approximately 5:00pm. Upon our return the students will be taken into the assembly hall while the buses are unloaded. Please come into the hall to meet your child and have their name marked off the role. If your child took medication to camp it can be collected from Mrs Irwin at this time. You may then collect your child's luggage and leave.

## **Important**

The buses will be arriving and departing from Venetia Street. We will set up cones to reserve safe spaces for the buses to pull into. Please assist us by not parking in this vicinity. The Venetia Street car park will be open for your convenience.
